Hats and Horses Virtual Kentucky Derby Viewing Party Supports Local Horse Rescue

Baldwinsville, NY – Sunshine Horses will host its annual Kentucky Derby viewing party on Saturday, May 1, 5:30-6:30 pm. The virtual ‘party with a purpose’ is full of surprises. Proceeds from the event will support Sunshine Horses’ program to rescue and care for retired racehorses while finding them appropriate homes.

“COVID-19 had a significant impact on our organization especially our ability to bring new horses to the farm,” said Dianne Sestak, fundraising chair. “Sunshine Horses is the largest Standardbred rescue and adoption group in New York State, and the proceeds of this event will help us continue this important work.”

The evening’s event will include the opportunity to meet Sunshine’s racehorses and volunteers while making a delicious meal to enjoy while watching the iconic Kentucky Derby! Sample a signature cocktail too!

[Tickets are available](#) with proceeds going to support Sunshine’s commitment to rescuing, rehabilitating, retraining all horses in our care while they await adoption into loving homes.
